

# TEC for Small Business Owners

## Growth more strategic and efficient

Running a small business, you face complex issues every day. Your resources are stretched, competition is fierce and new challenges persist.

The TEC Small Business Program gives you a forum to rise above the urgent and focus on what's most critical: the tough, strategic decisions that will drive your business forward.

**The challenges small business leaders face are anything but small**

Challenge	Solution
 <p><b>You currently make all decisions on your own and worry you may be missing something.</b></p>	<p>→ Get unbiased, confidential advice from a group of your peers who have faced similar challenges.</p>
 <p><b>You occupy so many roles in the company that you're in danger of burnout.</b></p>	<p>→ Learn from seasoned executives how to create work-life balance by putting leadership and processes in place for seamless operations.</p>
 <p><b>You're mired in day-to-day business operations and haven't been able to stay ahead of trends.</b></p>	<p>→ Connect directly with experts for personalised advice to help you focus on the strategic decisions that will lead to long-term growth.</p>
 <p><b>You haven't been able to secure necessary resources to fuel growth.</b></p>	<p>→ Gain fresh perspectives and insights from other leaders on how they've successfully financed their companies' growth.</p>

## How TEC works

### Confidential peer advisory boards

- Work on your most pressing issues with an exclusive group of 12-16 CEOs and business owners.
- Process issues in sessions led by a highly trained mentor.

### Private executive coaching

- Receive one-to-one coaching from an accomplished business leader.
- Get personalised guidance to navigate challenges and opportunities.

### World-class speakers and events

- Learn from experts and activate new ideas for business growth and personal development.
